GENERAL ASSEMBLY
Forty-seventh session
Agenda item 143
THE SITUATION IN BOSNIA AND
HERZEGOVINA

SECURITY COUNCIL
Forty-seventh year

Letter dated 30 October 1992 from the Permanent Representative of Bosnia and Herzegovina to the United Nations addressed to the Secretary-General

I have the honour to inform you of the following.

Today, I have informed the Co-Chairmen of the Geneva session of the London Conference, the Honourable Cyrus R. Vance and Lord David Owen, that:

The constitutional framework proposed for the Republic of Bosnia and Herzegovina by the Geneva session of the London Conference is clearly a compromise arrangement. None the less, let us be unequivocal: the Government of the Republic of Bosnia and Herzegovina accepts the proposed constitutional principles outlined therein.

Certainly, we have concerns regarding some provisions, and we need to clarify details. Our negotiating team in Geneva will be responsible for this work. However, we believe our support needs to be clear and prompt so that the whole Geneva process can urgently move towards implementation and peace.

May I ask for your kind assistance in having this letter circulated as a document of the General Assembly, under agenda item 143, and of the Security Council.
